Water Fitness

Aerobic Waves- A shallow water, cardiovascular workout, increased flexibility and enhanced strength without stress on your joints.

Aqua Challenge- Challenge your body with the low-impact benefits of water. Utilizing methods of Tabata and pyramids; with aquatic equipment to burn calories, increase cardio endurance, strengthen muscles, and improve flexibility and overall balance.

Aqua Zumba Mix-Classic aqua aerobics with Latin flavor added. Perform large muscle movements by reaching your arms and lifting your legs in the water, as well as circling your hips and shoulders.

Cardio Splash- A low impact but high intensity water aerobics class where no swimming skills are needed. This class is designed to improve flexibility, range of motion, strength, muscle tone and cardiovascular endurance while using the resistance of the water to cushion the feet, knees and back. Exercises are performed to lively, motivating music and are effective and easy to follow.

Deeply Fit-This low-intensity water workout focuses on muscular strength motions that work the body's major muscle groups as well as motions that work the core and balance. Participants combine cardiovascular work, deep-water running, jogging, and bicycling and cross-country skiing movements. A buoyancy belt is encouraged to create and maintain proper balance and posture.

H2O Boot Camp-Lots of variety with a boot camp style class in the water, come sweat and work hard while having fun!

Pumping Water-A variety of equipment and tempos to increase the resistance for your upper and lower body as you move through the water. Add in the cooling and increased circulation benefits of the water workout and you will find one of the best strength training workouts available.

Power Waves - An intense aqua workout with interval training, plyometric and power moves to improve cardiovascular fitness, muscular endurance, strength and flexibility.

Tabata Waves- This intense interval workout utilizes the Tabata Fitness Protocol of 20 seconds work followed by 10 seconds rest and repeated 8 times. The water will give you that increased intensity while protecting your joints and keeping your body cooler than it would on land.

Winter Water Burn-Are you ready to burn some calories this winter? Join America as she motivates and pushes you in this fun class! Designed to help with both cardiovascular endurance and strength training all done in the water! This class will run in January and February only.

W.O.W-Are you looking to change up your water workout on a weekly basis? Then W.O.W (workout of the week) is for you! Each class will be different! Example of classes are: Aqua Zumba, Aqua Circuits and more! We will announce the class on our DRC Facebook page each Monday.
